<https://tsd.co.jp/college/>

I'm gonna draw manga! Let's make and sell it!

Let's create content with your sensibilities and AI!

AI needs your cultural sensibilities that you don't have!

Article (ear)

Image (eyes)

We'll make and sell anime with us!

Made by AI

We use AI to proofread your registered content in an interesting way and create a new book.

Creation of sentences and pictures

Manga and Light Novel Publishing

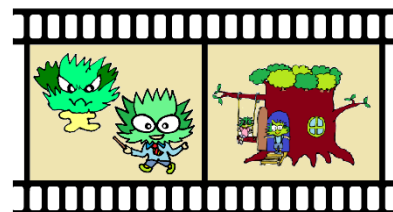

AI で文章や絵を作成。登録
済原作の AI 校正も OK !

Creation of sentences and pictures

Marketing research

Sales of manga, novels, and anime

The content is created by children around the world!

Here's what you'll be
working on at this college:

- Light Novels: Novels and Pictures
- Manga Frame-by-frame manga
- Anime videos
- Character Robot

Drawing of a student
in Senegal

Drawing of a student of
an anime school in Japan
